

The Bylaws Committee formally requests your suggestions for Bylaw additions or edits to be presented at the 2022 LPNH Convention.

Why are they requesting these now? It takes time to review, format, and vote on proposal changes in time to release them to the membership for review prior to the convention.

The committee has created a form for your convenience in entering your suggestions.

The form may be found here: <https://s.surveymonkey.com/r/ilpx38eWM>

So please help your Party to grow into the best Libertarian State Party in the nation by letting us know where you see room for growth!

Thank you.
